LANDING PAGE

Note leads back to room after text shows that there wasn't any information

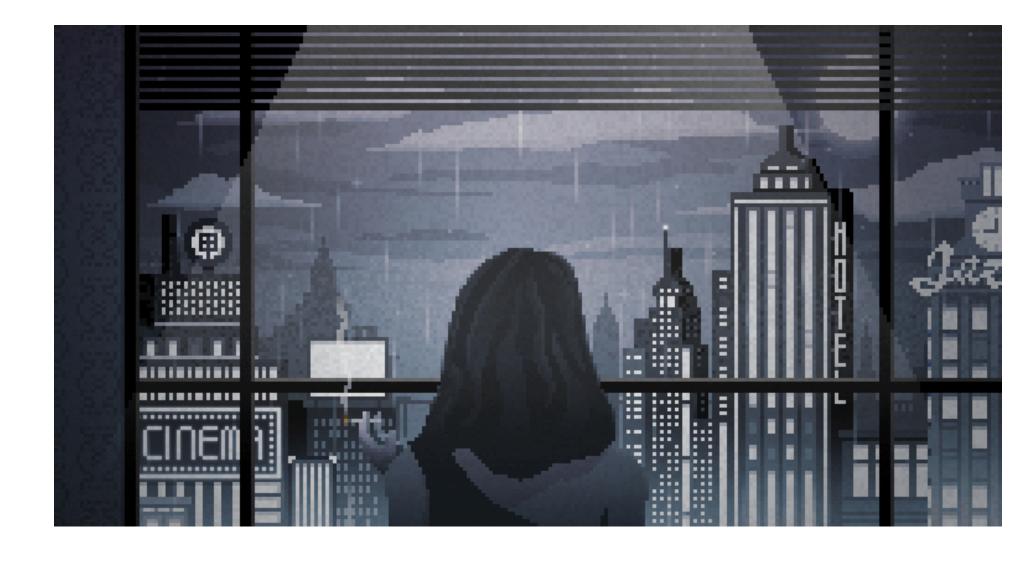

Window leads to roomate image

First choice

 Computer — passcode required 2. Note — blood stained note.... 3. Window — detective outside....

Once you have password you go to street

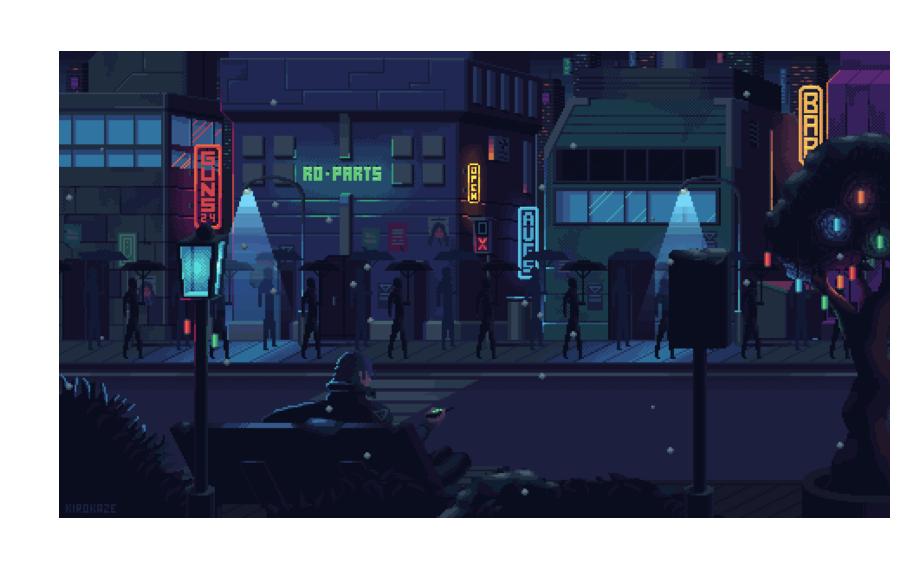

passcode from roomate

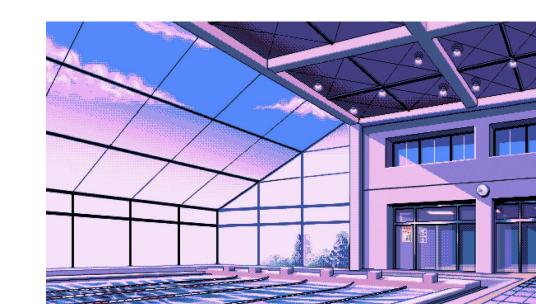

Type something

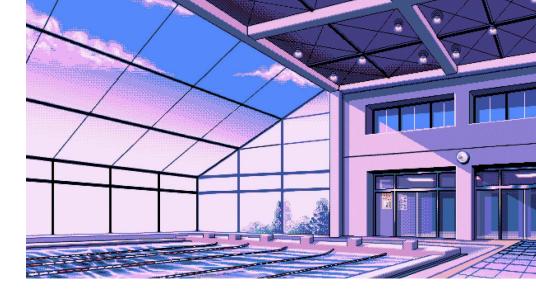

You go to the street to catch a cab to the address that was in your email. A man is outside smoking

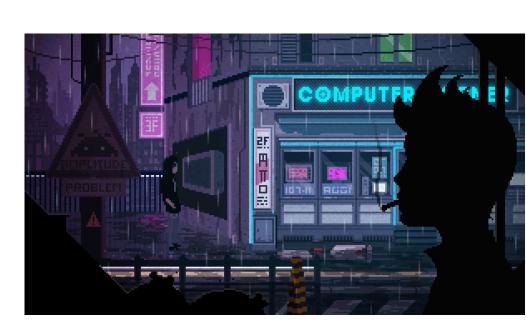

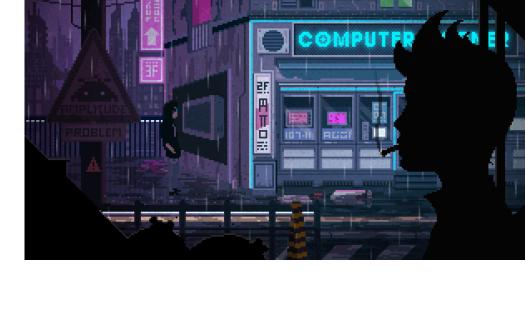

You see a bar that was mentioned in the email

Do you go in?.. yes

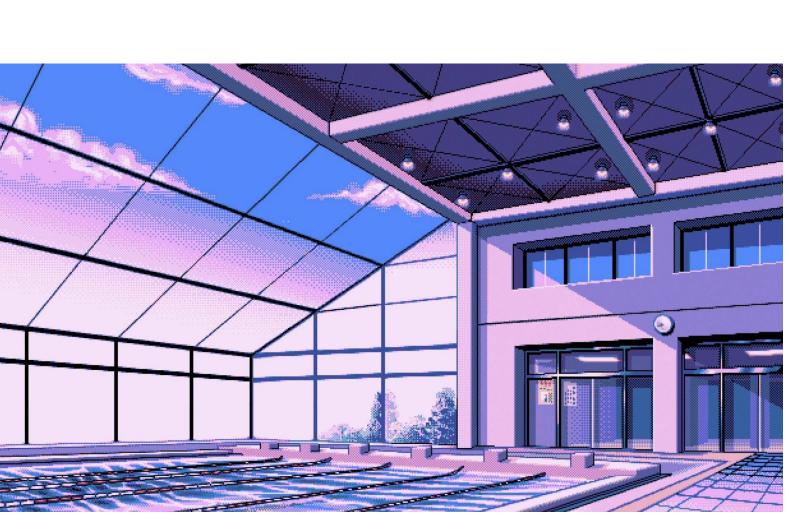

He tells you he saw someone leave your apt. but Needs you to go get something from the coast. Do you agree?

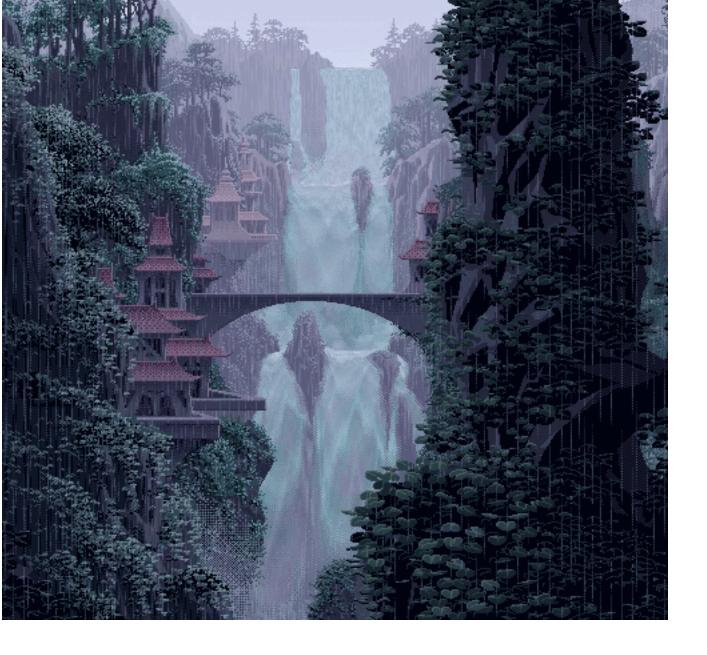

Go to the roof with the man in the bar?

Type something

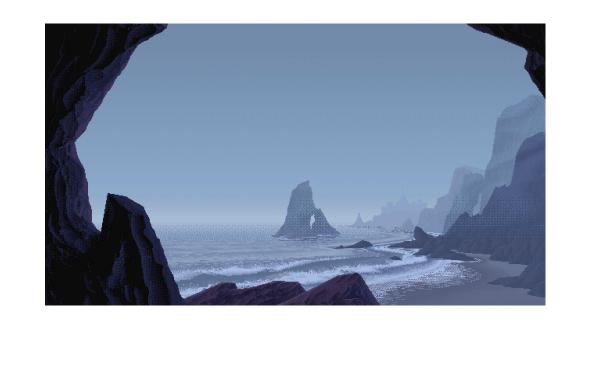

There wasn't anyhting there but was a suspicious trail

You don't choose the trail but go back to the
